

BONALDO

Noor

Designer: **Dondoli and Pocci**

Delicate, clearly defined lines sum up the Noor padded dining chair, featuring a steel frame which is both light and solid. The seat comes close to the structure of the backrest without touching it, giving the overall impression of “floating”. The

design of the backrest, slightly curved at the sides, gives it a welcoming and comfortable appeal. The backrest and seat are padded and upholstered in leather, eco-leather or fabric.
