Uso e Manutenzione

Care and Maintenance

Ogni creazione Rugiano è il risultato di un processo interamente manuale, curato nei minimi dettagli da maestri artigiani italiani. Questa dedizione garantisce l'assoluta originalità ed esclusività di ogni pezzo. Lievi variazioni nei meccanismi, nelle trame o nei materiali non sono da considerarsi imperfezioni, ma tratti distintivi che conferiscono al prodotto una personalità unica e irripetibile. Si raccomanda di utilizzare il prodotto esclusivamente per la destinazione d'uso prevista.

CURA E MANUTENZIONE

Per preservare la bellezza e l'integrità del prodotto nel tempo, vi invitiamo a consultare il manuale "Cura e Pulizia", disponibile per il download nell'area dedicata del nostro sito. Troverete istruzioni dettagliate e consigli preziosi per una manutenzione ottimale.

SOSTENIBILITÀ E AMBIENTE

Rugiano si impegna nel rispetto dell'ambiente. Al termine del ciclo di vita, il prodotto, i suoi componenti e gli imballaggi non devono essere dispersi nell'ambiente, ma conferiti ai centri di smaltimento autorizzati nel pieno rispetto delle normative vigenti.

Every Rugiano creation is the result of an entirely manual process, meticulously finished by master Italian artisans. This dedication ensures the absolute originality and exclusivity of each piece. Subtle variations in mechanisms, textures, or materials are not to be considered flaws, but rather distinctive traits that imbue each product with a unique, unrepeatable personality. Please ensure the product is used only for its intended purpose.

CARE AND MAINTENANCE

To preserve the beauty and integrity of your product over time, please refer to our "Care and Cleaning" manual, available for download in the dedicated area of our website. It provides detailed instructions and valuable advice for proper maintenance.

ECOLOGY AND SUSTAINABILITY

Rugiano is committed to environmental responsibility. At the end of their lifespan, the product, its components, and packaging materials must not be discarded in the environment but should be taken to authorized disposal centers in compliance with current regulations.
